

Kenney Neyhart ~ Treasurer Platform

I will uphold the trust in our elected treasurer. When handing over hundreds of dollars to another brother you need to be able to trust that he is doing the most responsible thing with that money, and I will to do that. I will keep each and every brother and associate member well informed of the budget and where each cent is going.

I will keep dues low and use each penny we spend as efficiently as possible. I will work closely with the executive council for fundraising ideas and efficient use of our money along with an accurate budget. I will help work with the Housing Committee for a possibility of a house in the future.
